“life-long global community”

MISSION

VISION

To foster a genuine lifelong global community with a strong will to support one another.

GREETINGS

Hello,

I am Jinho Kim, the president of ONLJ, the official alumni association of NLCS Jeju.

NLCS Jeju has proven itself to be more than an institution that offers one of the finest educations that prepares students to venture out to the world. The school helps the students establish their own principles in life by providing diverse activities and events beyond a typical classroom setting. These experiences allow them to form special bond and trust as well as developmental and productive relationships that last a lifetime.

At ONLJ, we look forward to expanding our community by strengthening these relationships and recognizing your achievements.

We are proud to have you as a member of ONLJ and I would like to sincerely thank all of you for enhancing NLCS Jeju's prestige.

Sincerely,

Jinho Kim
The President of ONLJ
