- First come first served for all dates
- Progression to the next round is dependent on the earlier rounds

North London
Collegiate School
Jeju

- Applicants for midterm entry will be required to be assessed at the next August entry year level. If a student does not receive an offer, they are not able to apply for the next academic year's August entry. For example, a student who wishes to join Year 7 in November 2023 will be assessed at Year 8 entry level. If they do not meet the required standard they cannot apply for Year 8 in August 2024 entry.
